

Leaders Honor Roll Criteria

2020 Selection Guidelines

The Leaders Honor Roll program is intended to honor outstanding community leaders and volunteers who have excelled in supporting, educating and advancing MU Extension or 4-H in their communities and counties.

Selection Criteria

Selection should be based on community leadership efforts that support the University of Missouri Extension's strategic direction and program priorities to:

- 1) Enhance economic viability
 - 2) Build strong individuals, families and communities
 - 3) Create and sustain healthy environments
- County Engagement Specialists (CESs) should work with University of Missouri County Extension staff and other faculty in each Extension County Office to **select two (2) outstanding leaders (or couples) from each county for recognition**. Either individuals or couples will count as 1 submission.
 - In extraordinary circumstances, it may be possible to request additional recipients for your county, but there must be good reason with supporting information to do so. Please contact Kim Foley to discuss additional recipients beyond the two requested.
 - While some counties form a nominating committee, the entire staff and faculty in that county should vote on any names put forth.
 - Please note that this process is unlike the Farm Family program, which is selected by the County Council and Farm Bureau representative. Although you may consider names submitted from the local councils, the Leaders Honor Roll is ultimately chosen by faculty and staff.
 - This is not an award for entire commissions, businesses, or organizations. There are other recognitions for group entities found at <https://muextensionway.missouri.edu/strategic-partnerships/awards-recognitions>.
 - Deserving individuals may be honored in multiple years when warranted.
 - Each county should keep a comprehensive list of past honorees. The Office of Extension and Engagement also maintains a master historical list of all counties, which is updated each year. You can access the historical list on the MU Extension Way site, so that you may view your county's nominees by county tab and across all years.

Due Dates

- County Engagement Specialists (CESs) will submit their nominees on or before Dec. 1 at <https://extension2.missouri.edu/leaders-honor-roll-submission-form>.
- Please be sure to enter the correct spelling and listing of each nominee's name, proper name or nickname.
- Leaders Honor Roll certificates can be found at <https://muextensionway.missouri.edu/strategic-partnerships/awards-recognitions>. You can now customize and print your own certificates!

Recognition Ceremony

Each county should plan a recognition opportunity to present the certificates during December 2020 or early 2021. In many instances, the recognition ceremony will occur during the county's annual MU Extension County Council meeting or banquet, honoring volunteers from the previous year.
